

Student Survey

Technology and Innovation Management

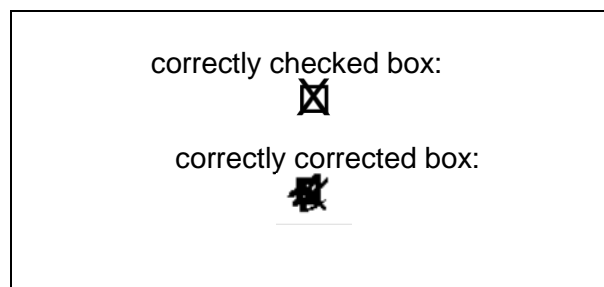

winter semester 2023/2024

Dear students,

we are interested in your assessment of the learning and study conditions at the Harz University of Applied Sciences. In addition to written feedback, you also have the opportunity to express your opinion directly in the workshops for the further development of the study programmes.

Notes on the survey:

- The survey is anonymous and the participation is voluntary.
- The questionnaires will be evaluated centrally.
- The results serve as a basis for discussion in the student workshops with the program coordinators.
- The results of this survey will be published by the summer semester 2024.
- Please give a general assessment of the learning and study conditions at the Harz University of Applied Sciences.
- Please answer the questions by checking the boxes or by short written answers in the spaces provided.

Thank you for your participation!

A handwritten signature in black ink, appearing to read 'Louisa Klemmer', is written over a light blue horizontal line.
